## Inspiration how residences in Castor & Pollux *could* look like

Flooring (easy to clean 😊), and curtains (darkening and keeping out heat), are provided in all rooms, all studios, all apartments and in all shared living rooms.

See how well the bathroom also has a function as room divider in the studios.

Create your personal touch by adding a simple rug.

One tilt-and-turn window: so it can be opened.

## Furnished studio

Furniture is moveable.

For example, the dining table is perfectly connectable to the desk.

The bed is less easy to move, due to the connection of the built-in USB port in the headboard of the bed.
